A screenshot of the Cerakote website's 'Shop, Coatings' page. The page features a search bar, a 'Clear All Filters' button, and a color selection palette. Below the palette are several filter categories: Cure, Uv stability, Temperature, Finish, Cerakote FX, Special feature, and Series. The main content area displays a grid of 12 coating samples, each with a name, code, and a 'VIEW' button. The samples are: Graphite Black (C-102), Satin Mag (C-103), Titanium (C-105), Micro Slick Dry Film Coating (C-110), Tungsten (C-111), Cobalt (C-112), Satin Nickel (C-124), Hunter Orange (C-128), Stainless (C-129), Jet Black (C-138), Bright White (C-140), and Stoplight Red (C-143). The website header includes the Cerakote logo, contact information (+49 (0) 4106-6414121), language options (English, German), and user options (Register, Login). The navigation menu includes SHOP, AUTO & HOME, PRICES, INDUSTRIES, FIND AN APPLICATOR, and RESOURCES.
